NEWSLETTER FEBRUARY 2010

JULES RESEARCH TRIP

Jules is leaving for Europe on 14 February where she will be participating in Trendzoom courses in Holland and Switzerland. Trendzoom is about linking new hair fashions in colours, designs and shapes with general fashion trends to create a fantastic, cohesive sense of style. Wait till you see her back in the salon on 17 March!

We pride ourselves on taking the best care of our clientele possible - so we really appreciate any feedback we receive.

SAM ON HOLIDAYS

Sam will be taking a well-earned break in the first two weeks of March.

Don't forget you can book all your appointments for the year ahead (but not for Mondays)

GHD STYLING IRON PROMOTION

If you own a GHD styling iron, you can now buy the handy Thermoroll separately. Great for travelling, it is also a bargain at \$60.

Why not take a GHD travel blowdryer with you on that trip - available for \$40.

OUTSIDE EDUCATION

The Sensoria team have started booking Goldwell courses in Sydney & Canberra, and are very excited at the prospect!
